Ms. Weng joined Balfour Pacific in 2020, bringing with her over 24 years of experience in managing office, retail, warehouse, residential and mixed-use real estate. Before joining Balfour Pacific, she was Senior Property Manager at SDM Realty Advisors Ltd. where she oversaw the operation of over one million square feet of property assets. At SDM, Ms. Weng executed investment strategy, completed capital projects and provided oversight of budget and financial statements.

Prior to SDM, Ms. Weng was the General Manager of the Commercial Division of Peterson Commercial Property Management Inc., a premier, family-owned real estate developer and manager based in Vancouver, BC. At Peterson, she supervised the operation of over two million square feet of commercial and residential properties. Among other achievements, she developed and implemented best practice procedures in real estate and project management.

Ms. Weng spent the earlier part of her career managing or co-managing properties of all different asset classes in BC. During that time, she developed an expertise in lease negotiation, tenant relations and establishing operational efficiency.

Ms. Weng holds a Bachelor of Commerce degree from the University of British Columbia – Urban Land Economics.
