Ms. Ong provides senior-level executive support to Balfour Pacific. She also assists in transaction administration, investor communications and marketing activities. With over 30 years of working in multinational companies and regional offices in Singapore, Ms. Ong brings significant experience in the areas of administration, public relations, logistics, sales and service operations.

Prior to joining Balfour Pacific, Ms. Ong supported the C-level management team in administration at Quark Venture LP, a venture capital company focused on equity financing of innovative biotechnology and health sciences companies with breakthrough technology platforms and projects.

Ms. Ong holds a Diploma in Mass Communications from the Management Development Institute of Singapore.
